

Automotive & Fleet Repair Service

We structure programs that optimize fleet performance.

Here's how:

- Cost efficiency backed by our internationally recognized quality management system
- Maintenance and cost history tracked to maximize fleet efficiency and minimized downtime
- Custom data and trend reporting to support business decisions

Automotive & Fleet Repair Service

With over 35 experienced staff, two 125-foot commercial wash bays, 10 maintenance bays and over \$500,000 in inventory, Acden Fleet can confidently meet all your automotive and fleet needs.

Our 21,000 square foot, eco-friendly light and heavy duty facility is located at 220 Taiganova Crescent, Fort McMurray

We are open: 7 days a week | 7 a.m. – 6 p.m.
