

# Specialized Industrial Safety Services

Our mission is to be Canada's most reliable and respected industrial safety company by providing outstanding customer experiences

- We work with clients to ensure safety without compromise - safeguarding productivity
- Our paramount focus is getting all workers home safely every day
- We pride ourselves on setting standards that others follow

## Specialized Industrial Safety Services

Our safety services are provided in partnership with Bravo Target Safety - a leading provider of industrial and oilfield emergency response and safety services.

We have the proven ability to recruit, train, deploy and mentor qualified safety watch personnel for projects ranging from 10 to 200+ safety professionals.

Acden Bravo Target is dedicated to the highest industry standards. Our highly-trained teams offer comprehensive facility turn-around and maintenance services including:

- Confined Space Watch
- Technical Rescue
- Safety Supervision
- Safety Advisory
- Project Management

We protect drilling, completions and production teams from risk and hazard by providing the following services:

- Fire Protection and Suppression
- Medical Services
- H2S Safety Services
- Decontamination Services
- Mobile Platforms

Our experience and technical knowledge allows us to respond to the following oilfield and industrial emergencies:

- Hot Tap Services
- Freeze Services

Acden Bravo Target is proud to offer our clients in the Regional Municipality of Wood Buffalo all required safety resources, including medical services and a 24 hour emergency dispatch line. We are honoured for the trust and confidence earned from supporting some of Canada's largest oil and gas, chemical and mining projects.
